Declaration of endorsement of the European Charter of Researchers and the Code of Conduct for Recruitment of Researchers

The University of Gdansk intends to respect and promote The Charter and The Code among its employees and researchers and all groups involved in the process of recruiting

We understand the importance of all its principles, terms and conditions expressed in both documents and we will try to implement them.

The University of Gdansk commits itself to taking necessary steps to comply with The Charter and The Code.

By implementing The Charter and The Code we intend to contribute to the fostering of an open, transparent and more attractive European Market for researchers.
