KIVNON LOGISTICA SL welcomes and supports the initiative of the European Commission to ensure a supportive research environment for researchers on mobility.
Having endorsed the 40 principles of Charter and Code, we notify you about our commitment to implement these principles in our institution via the Human Resources Strategy for Researchers (HRS4R).

By implementing the Charter and Code principles KIVNON LOGISTICA SL aims at attracting the most outstanding researchers within the European Research Area and beyond.

Best regards,
