**Endorsement of the European Charter for Researchers and Code of Conduct for the Recruitment of Researchers (Charter and Code)**

Dear Sir, Dear Madam,

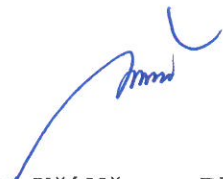

The Faculty of Education of the Masaryk University welcomes and supports the initiative of the European Commission to ensure a supportive research environment for researchers on mobility.

Having endorsed the 40 principles of Charter and Code, we notify you about our commitment to implement these principles in our institution via the Human Resources Strategy for Researchers (HRS4R).

Masaryk University is one of the leading research universities at the national level. The Faculty of Education of Masaryk University is assessed as one of the top ranked faculties of Education in the Czech republic.

By implementing the Charter and Code principles, the Faculty of Education aims at keeping talented researchers and attracting the most outstanding researchers within the European Research Area and beyond.

Yours faithfully,

  
**doc. PhDr. Jiří Němec, Ph.D.**  
dean of the Faculty of Education
