

Letter of Commitment to the
Recommendations of the European Commission to
the European Charter for Researchers and
the Code of Conduct for the Recruitment of
Researchers

The INESC-ID, Instituto de Engenharia de Sistemas e Computadores, Investigação e Desenvolvimento em Lisboa (INESC-ID), as non-profit Research and Development Institute, created in July 1999, dedicated to advanced research and development in the domains of Computer Science and Electrical Engineering, and with mission of providing advanced training to students and researchers, expresses its support and commitment to the principles laid out in the European Charter for Researchers and the Code of Conduct for the recruitment researchers.

The European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers are documents that support the commitment to excellence of INESC-ID.

By signing this letter, INESC-ID commit itself to follow the instructions and values set out on the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers.

Lisbon, December 11, 2018

A handwritten signature in blue ink, appearing to read 'Leonel Sousa', is written over a horizontal line.

Prof. Leonel Augusto Seabra de Sousa
(Chair of the Board of Directors)
