

Lodz University of Technology

Rector
professor Stanisław Bielecki

Lodz, 24 September 2012

RIR-80.1.2012[32]

Declaration of commitment by the Lodz University of Technology to the principles of "The European Charter for Researchers" and "The Code of Conduct for the Recruitment of Researchers"

Lodz University of Technology, represented by Rector Professor Stanisław Bielecki welcomes and supports the Recommendation of European Commission 2005/251/EC on "The European Charter of Researchers" and "The Code of Conduct for the Recruitment of Researchers" (hereinafter referred as The Charter and The Code).

Lodz University of Technology intends to respect and promote The Charter and The Code among its employees and researchers, especially among groups involved in the process of recruiting researchers.

By joining The Charter and The Code the Lodz University of Technology understands the importance of all its principles and will try to implement them with aim to encourage open, diversified career development and to create stable mechanism for young researchers.

Lodz University of Technology commits itself to taking the necessary steps to comply with The Charter and The Code for the recruitment of researchers within a reasonable period of time in accord with Polish law.

By signing The Charter and The Code, Lodz University of Technology fully supports the efforts of European Commission towards making the careers of researchers more attractive, profitable and transparent and reaffirms its commitment to the European Research Area.
