

Budapest, 25th November, 2010

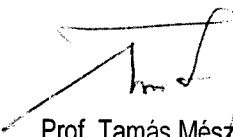

Commitment of the Corvinus University of Budapest to the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers

The Corvinus University of Budapest, represented by its Rector, Prof. Dr. Tamás Mészáros, recognises and supports the Recommendation of the European Commission of 11th March 2005 on the "European Charter for Researchers" and the "Code of Conduct for the Recruitment of Researchers" (hereinafter referred to as: the Charter and Code).

The Charter and Code was accepted by the University Senate on 25th October 2010.

According to the University's new mission statement, the Corvinus University of Budapest considers international value creation and value intermediation its mission that it aims to implement within the framework of teaching, research and advisory activities. By implementing the principles of the Charter and Code the career of researchers will become more attractive and transparent and it is also an outstanding means to foster international cooperation between researchers.

The Corvinus University of Budapest fully recognises and supports the initiative of the European Commission in order to contribute to the creation of a European Research Area and to encourage the mobility of researchers within the European Union.
