

personal background and current position

- ▶ Hajime ISHIIHARA
- ▶ Ph.D. in Information Science
(Tokyo Institute of Technology, 1990)
- ▶ Mathematical Logic and Constructive Mathematics
- ▶ Professor, Japan Advanced Institute of Science and Technology (JAIST)

CONSTRUMATH

- ▶ Marie Curie
- ▶ Type of Grant: RISE/IRSES
- ▶ Year of application: 2008
- ▶ Duration: 2009-2011
- ▶ Domain: Mathematics
- ▶ Partner institutions: Ludwig-Maximilians-Universität München (DE), Uppsala University (SE), University of Padova (IT), University of Canterbury (NZ), JAIST (JP)

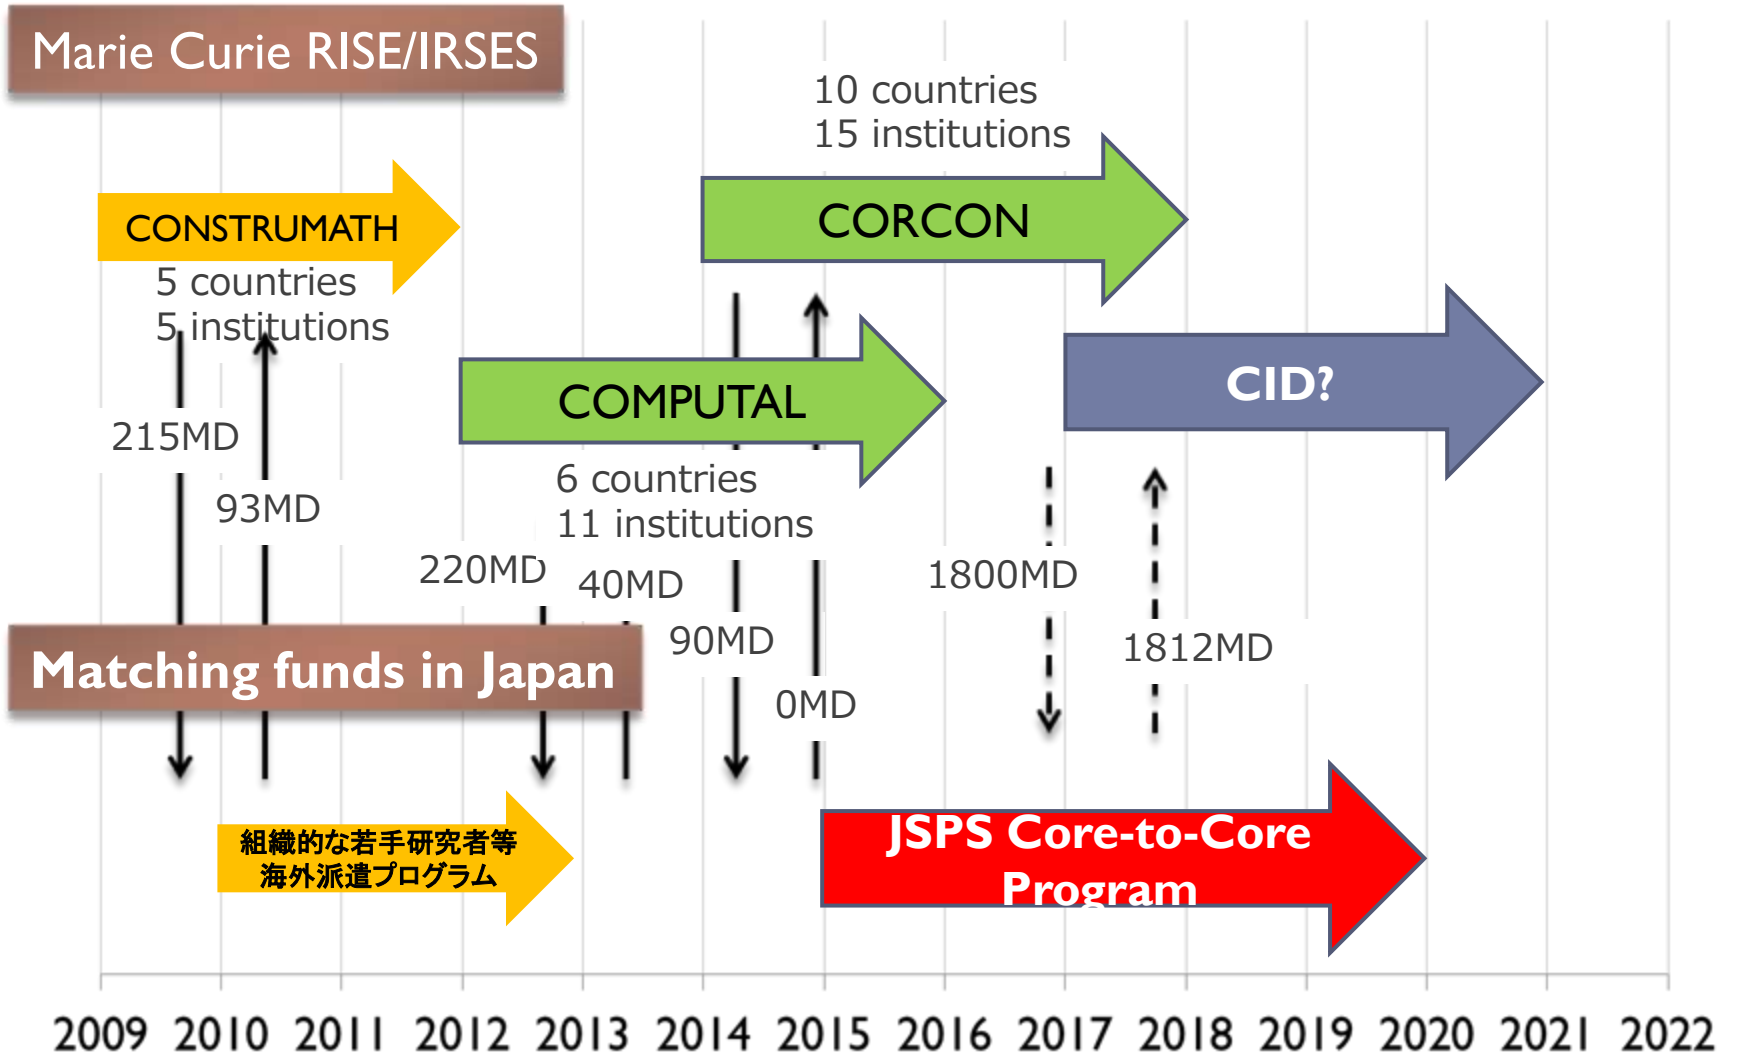

COMPUTAL

- ▶ Marie Curie
- ▶ Type of Grant: RISE/IRSES
- ▶ Year of application: 2011
- ▶ Duration: 2012-2015
- ▶ Domain: Mathematics
- ▶ Partner institutions: University of Siegen (DE), University of Federal Forces Munich (DE), University of Trier (DE), Technical University of Darmstadt (DE), Swansea University (GB), University of Cambridge (GB), University of Ljubljana (SI), A.P. Ershov Institute of Informatics Systems (RU), University of Cape Town (ZA), University of South Africa (ZA), JAIST (JP)

CORCON

- ▶ Marie Curie
- ▶ Type of Grant: RISE/IRSES
- ▶ Year of application: 2013
- ▶ Duration: 2014-2017
- ▶ Domain: Mathematics
- ▶ Partner institutions: University of Leeds, (GB), University of Strathclyde (GB), Swansea University (GB), Stockholm University (SE), University of Siegen (DE), Ludwig-Maximilians-Universität München (DE), University of Insubria (IT), University of Padova (IT), University of Genova (IT), Hankyong National University (KR), Institute of Mathematical Sciences Chennai Society (IN), University of Canterbury (NZ), Australian National University (AU), Carnegie Mellon University (US), JAIST (JP)

JSPS Core-to-Core Program

- ▶ Japan Society for the Promotion of Science (JSPS)
- ▶ **Type of Grant:** Core-to-Core Program, A. Advanced Research Networks
- ▶ **Year of application:** 2014
- ▶ **Duration:** FY2015-FY2019
- ▶ **Domain:** Mathematical and Physical Science
- ▶ **Core institutions:** University of Leeds, (GB), Stockholm University (SE), Ludwig-Maximilians-Universität München (DE), University of Padova (IT), JAIST (JP)

A postdoc of this project has been awarded INdAM-COFUND Fellowship in Mathematics and/or Applications for experienced researchers cofounded by Marie Curie actions.
